

COMMUNISM is TREASON!

In a recent issue we have shown that the Jews boast of a world plot. Now we would like to consider that much debated question Is COMMUNISM JEWISH?

Much has been said and many articles written about the alleged connection of Jews with Communism. A number of authorities hold that Communism is racial, and unless we understand this fact it is impossible to understand the true character of Communism.

The dawn of the fifties should have forever removed any doubts regarding identity of Jews with Communism. The numerous spy ring exposures left the most casual observer dumbfounded at the preponderance of Jews involved.

The following quotes compiled by W. D. Pelley, are not only a confirmation of the Jewishness of Communism but a boast of same, and, we believe, will settle for all time the matter of the racial character of Communism.

"Marxism is the modern form of Jewish prophecy." —Prof. Reinhold Niebur, before Jewish Institute of Religion, N. Y., October 3, 1934.

"Some call it Marxism; I call it Judaism!" —Rabbi S. S. Wise, in an address from the Free Synagogue, New York.

"Revolution, with its Equality and Fraternity, is the star of Israel." —From "L'Univers Israelite," Paris, issue Sept. 5, 1867.

"We have exterminated the property owners in Russia. We are going to do the same thing in Europe and America." —The Jew, Zinovieff, Third International, Dec. 1925.

"As for anyone who does not know that the present revolutionary movement is Jewish in Russia, I can only say that he is taken in by the suppressions of our deplorable press." —Hilaire Belloc in G. K.'s Weekly, February 4, 1937.

"There is a Jewish conspiracy against all nations; it occupies almost everywhere the avenues of power—a double assault of Jewish Revolution and Jewish Finance." —Rene Groos, in "Le Nouveau Mercure," Paris, 1927.

"The Bolshevik Revolution was largely the outcome of Jewish idealism. What it so powerfully contributed to accomplish in Russia, the same historic Jewish qualities are tending to produce in other countries." —From "The American Hebrew," September 10, 1920.

"The time has come when patriotic Jews of America should feel the great responsibility for the evil deed (Communism) hatched and planned in the camp of Israel." —B. A. M. Shapiro, in his booklet, "America's Great Menace."

"The Jews in Russia, in their total mass, were responsible for the revolution." —A. S. Rappaport, "Pioneers of Russian Revolution," page 250.

"The most remarkable and also the most injurious consequence of the Great War has been the creation of new nationalisms and the exalting of those already existing. Nationalism is a danger for the Jewish people. Today, as in all epochs of history, it is proved that Jews cannot live in powerful states where a high national culture has developed." —From "The Jewish Sentinel," Chicago, issue of September 24, 1936.

"For Bolshevism is a religion and a faith. How could these half-converted believers ever dream to vanquish the 'Truthful' and the 'Faithful' of their own creed, these holy crusaders, who had gathered round the red standard of the Prophet Karl Marx, and who fought under the daring guidance of these experienced officers of all the latter-day revolutions—the Jews?" —From published letter of Prof. Oscar Levy to Pitt-Rivers.

"On the one hand, they have been the instigators of industrial and financial capitalism and they actively cooperated towards that extreme centralization of capital which will doubtless facilitate its socialization; on the other, they were among the most vehement opponents of capital. To the gold-draining Jew, a product of exile, of the Talmud, of legislation and persecution, stands opposing the revolutionary Jew, a son of the bible and prophetic tradition, that tradition which animated the German anabaptist lib-

ertarians of the XVIth century and the Puritans of Cromwell." Page 393. —Bernard Lazare, in his book, "Anti-Semitism and Its Causes," 1894.

"In this new organization of humanity the sons of Israel, spread over the surface of the globe, will become everywhere without opposition the directing element, especially if they succeed in imposing upon the working classes the firm control of some of those amongst them. The Governments of the Nations forming this universal republic will all pass without effort into Jewish hands under cover of the victory of the proletariat. Private property will then be suppressed by the Rulers of the Jewish Race, who will everywhere control the public funds. Thus will be realized the promise of the Talmud—that when the time of the Messiah will arrive the Jews will possess the goods of all the people of the earth." —From the correspondence of Karl Marx, true Jewish name Heinrich Mordecai.

"With the rise of the Soviet Regime Jews have been granted rights not accorded even in the most advanced countries. The state, which previously did not employ any Jews, now employs in White Russia 61 per cent Jewish officials. A Jew is commander of the Ukrainian Army; a Jew is President of the State Bank; Jews occupy almost all important ambassadorial positions; universities, professions, judiciary and administration, now have a greater percentage than any other nationality. Anti-Semitism has been declared a state offense, and is punished as counter-revolution." —Rabbi Stephen S. Wise, in "Jewish Opinion," December, 1933.

"Paole-Zionism goes on with its task in Russia, in Palestine and elsewhere. In this very hour it appears as the unique international proletarian party. One of its factions joins the Communist International, the other joins the Socialist International." Page 24.—Elie Eberlin, in his book, "Jews of Today," Paris 1928.

"The modern socialist movement is for the greater part a work of the Jews; the Jews sealed on it the imprint of their brains, the Jews also played a prominent part in the leadership of the first socialist republics. However, most of the socialist leaders had drawn away from Judaism; but the part they played did not depend from them alone; in

them was subconsciously operating the old eugenic principle of Mosaism, the blood of the old apostolic people was living in their brains and social temper . . .

"The present world socialism is but the first stage of the accomplishment of Mosaism, the beginning of the world realization announced by our prophets . . .

"It is only when there will be a League of Nations and when its allied armies are used efficiently for the protection of all feeblies, that we may hope the Jews to be able of developing without fetter their national state in Palestine, and it is only when we have a League of Nations well saturated with the socialist spirit that we can enjoy our international as well as national necessities. "Therefore all Jewish groups, whatever they be, Zionists or adepts of the Diaspora, have a vital interest in the victory of socialism; they must strive not only as for a principle, not only for its identity with Mosaism, but also for tactics." —Alfred Nossig, in his book, "Integrales Judentum," Berlin, 1922.

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism." —From "The Jewish Chronicle," London, April 4, 1919.

"The hatred of Czarism against the Jews was justified; because, from the 'sixties onwards in all revolutionary parties the Government had to deal with the Jews as the most active members." —From State papers of Jewish Bolshevik Raffes, Moscow, 1925.

"They (the Jews) were in the vanguard of the Russian revolutionary movement before the fall of Czarism, and their services in the early days of the heroic struggle of the Proletarian Revolution are acknowledged by every historian." —William Zuckerman, in his book, "The Jew in Revolt."

"The well-known American Jewish banker, Mr. Jacob Schiff, was known to be anxious to secure recognition for the Bolsheviks among whom Jewish influence was predominant . . . I insisted that unknown to him (Wilson) the prime movers were Jacob Schiff, Warburg and other international financiers who wished above all to bolster Bolshevism, in order to secure a field for German and Jewish exploitation of Russia." —From interview given to Wickham Steed by Col. E. M. House.

"The present program of palliative relief must give way to a program of fundamental reconstruction. American Democracy must be socialized by subjecting industrial production and distribution to the will of the people's Congress. The first step is to abolish the Federal veto and to enlarge the express powers of the National Government through immediate constitutional amendment. A gradual march in the direction of socialization will follow. At the same time, energetic measures must be adopted to prevent the inevitable reactionary attempt to overthrow democracy. In Spain the Government found it necessary to arm its workers. In America, let it be beforehand by strengthening the organization of and by systematically removing from key positions in Army and National Guard all officers whose loyalty to the Constitution may be qualified by class allegiance." —Rabbi Victor Eppstein, in "Jewish Opinion," April, 1937.

"Mr. Treister stated in his letter in your paper that the Jewish people form a very small percentage of the Communists in America. He states that 'in Chicago, with a population of 400,000, there are about 150 Communists.'

"I myself am Jewish, and I come from Chicago. I spent thirteen years in that city. Approximately 98 per cent of us are Communists, and we are not ashamed of it. It is a system laid down to us by our great leader, Karl Marx, and only the cowards hide behind 'democracy' or 'Americanism.' Fur-

"CONQUER WHOLE WORLD."

JEWISH BOLSHEVIK BOASTS.

WARSAW (received yesterday).

The Polish Press reproduces a document found on the commander of a Bolshevik battalion, Sunder, who was killed in action. This document, written in Yiddish, throws a light on the clandestine Jew organisation in Russia. The document is as follows:—

"Secret.—To the Presidents of the section of the International Jewish Alliance! The hour of our complete triumph approaches. We are on the eve of the conquest of the whole world. Our ancient dreams are being realised. Although until quite recently we were powerless, we are now able to triumph. We have won power in Russia. Our first plans have succeeded, but we must not forget that the Russians, although actually in our power, will never cease to be our mortal enemies."

"SOW HATRED."

"We have taken everything from the Russian people. We have reduced to slavery our ancient masters. Against our enemies we must act with every brutality, and without pity. We must get into our power their best chiefs; we must sow hatred amongst the parties, and propagate civil war amongst the workmen and the rural population.

"We must work with all our forces, but with prudence. Let us everywhere and always proclaim the national policy of our Jewish nation. Let us fight for our immortal ideal.

"(Signed) Central Committee of the Petrograd Section of the International Jewish Alliance."
